

MY INITIAL SPARK. WORKING ON THE FUTURE AT MAHLE.

David Hughes

We like it when our employees have goals. What about you? Are you ready to start in turbo mode? MAHLE is a leading international supplier to the automotive industry. With our products for combustion engines and their peripherals as well as solutions for electric vehicles, we address all crucial issues related to the powertrain and air conditioning technology. Today, some 77 000 employees work on innovative products at 170 locations and 16 major development centers. Working together, we optimize existing technologies, develop new engineering concepts and set standards. By reducing fuel consumption and CO₂ emissions, we are making an important contribution – for a better climate, with every second vehicle.
