

General Counsel Graduates First Program

About Credit Suisse

Credit Suisse is a leading wealth manager with strong investment banking capabilities and strong presence in our home market Switzerland. We seek to follow a balanced approach to wealth management, aiming to capitalize on the large pool of wealth within mature markets as well as the significant growth in wealth in Asia Pacific and other emerging markets.

Founded in 1856, we today have a global reach with operations in over 50 countries and 46,640 employees from over 150 different nations.

About General Counsel

GC provides legal, public policy and regulatory advice to the bank – in all key areas and to all levels. It advises and supports the bank in the context of potential or actual litigation and investigations. GC is also responsible for strategic legal risk management and the bank's relationship with policymakers and other political stakeholders.

About the Program

The General Counsel Graduates First Program is a paid, full-time program designed to be a stepping stone into your career.

The unique Program starts in the summer and offers the following:

- Valuable work experience in the General Counsel function and its various fields of expertise
- Comprehensive induction training, followed by full-time job assignments in a variety of legal, paralegal and project-oriented functions
- Classroom training on Legal, Product-oriented and both hard and soft skill topics conducted by senior managers from Credit Suisse General Counsel
- Hands-on understanding of global financial regulations
- Experience of working for a global and multicultural organization

Our 24-month Program provides you a significant career advantage, as the participants will develop core professional skills and industry knowledge in two different areas of expertise within General Counsel function.

Participants will have the opportunity to work in different teams in General Counsel.

During your work you can always rely on your colleagues, especially those who were in your shoes last year.

You will join teams in the areas such as: contract risk advisory, corporate governance, data management and IP/sourcing, cross border legal, regulatory outsourcing, product and transactional advisory as well as project management office support.
