TRAINEE ACCOUNT MANAGER / FREIGHT FORWARDER / SPEDYTOR

Wroclaw, Poland

Logistics is at the heart of everything around you. Coyote® is a third-party logistics (3PL) service provider, responsible for coordinating and moving goods bought and consumed every day.

Since our founding, we've grown to a pack of more than 2,000 employees in US and over 250 in Europe. Now we are hiring in Wrocław!

Why is Coyote successful? It's simple. We do what we say we're going to do. No Excuses. Coyote's culture powers this mission every day. We're always on the prowl for people who are True, Tribal, Tenacious, and Smart. Think you're one of those people? Join the pack.

As a Trainee Account Manager at Coyote , you will focus on the development of relationships with our road freight companies, helping customers move their goods and providing logistics solutions. You will create and manage your individual portfolio of accounts while working in a team environment. Business is generated through inside and outside sales by way of industry referrals, prospecting, and business-to-business selling.

Skills, Characteristics & Experience

- Extreme multitasking ability
- Attention to detail and confident decision-making skills
- Effective communication and customer service skills
- Enthusiasm and high energy
- Must be fluent in English – other European languages are a plus!

Why Freightex?

- On-site training and ongoing career development
- Competitive base salary
- Generous bonus package
- Group life insurance, private healthcare and sport package
- Significant advancement opportunities for outstanding performers
- Casual dress
